MESSAGE FROM THE GOVERNOR

MR. SPEAKER:

I am directed by the Governor to return herewith: House Bill No. 278, without his signature, separate message attached.

WILLIAM C. KOCH, JR.,
Counsel to the Governor.

Dear Mr. Speaker:

I have permitted House Bill No. 278 / Senate Bill No. 307 to become law without my signature because I am concerned about the precedent it may set.

This bill will restrict the ownership of wineries located in Tennessee to individuals who are residents of Tennessee or to corporations owned by persons who have been residents of Tennessee. In this regard, it imposes ownership restrictions on wineries that are similar to those applicable to persons who are seeking licenses to sell alcoholic beverages at wholesale or at retail.

WEDNESDAY, APRIL 6, 1963--24th LEGISLATIVE DAY

While it would have been preferable not to create this barrier to out-of-state investment in the winery business, the General Assembly has exhibited a desire that Tennessee's infant wine industry be developed by persons having some residency connection with the State. This is not totally unreasonable because, unlike the distillers located in Tennessee that are prohibited from selling their product at retail, wine producers are permitted to sell their product at retail at their wineries. Even the association of winery operators who have a direct interest in this bill have taken no position on this legislation. Unlike other liquor license residency requirements that I have disapproved in the past, this bill will affect all wineries equally.

Even though I do not agree totally with the Legislature's decision, it was not an improper one for them to make.

Sincerely,

Lamar Alexander

House Bill No. 278 becomes law without the Governor's signature, as authorized by Article III, Section 18 of the Constitution of the State of Tennessee.

MESSAGE FROM THE SENATE

MR. SPEAKER: I am directed to return to the House, House Bills Nos.:

CLYDE W. McCULLOUGH, JR.,
Chief Clerk.

SECTION 5. Tennessee Code Annotated, Section 67-672, is amended by deleting in its entirety subsection (a) and by substituting instead the following:

(a) There shall be paid from the general funds of the state to certain disabled veterans the amount necessary to pay or reimburse such taxpayers for all or part of the local property taxes paid for a given tax year on that property which the disabled veteran owned and used as his residence as provided herein. Such tax refund or payment shall be

The effective assessed value shall be determined by multiplying the full market value of the property up to sixty thousand dollars (\$60,000) by twenty-five percent (25%). The full market value of the property shall be determined by adjusting the appraised value of the property as shown on the records of the assessor of property by a factor which reflects the relationship between appraised value and market value in that jurisdiction, as determined by the state board of equalization.

SECTION 6. Tennessee Code Annotated, Section 67-673, is amended by deleting from the second paragraph of subsection (a) the following words:

"on the basis of such taxes paid on such mobile home",
